I understand that ALL participants and their property are subject to search during a school event based on reasonable suspicion or adequate information that presents risk of injury or disruption to the event. Any student in possession, in the act of distribution, or under the influence of substances, narcotics, or alcohol will be reported directly to the Police Officer on site. These acts and non-compliance can result in: removal from premises; police referral; school consequences that can include suspension or expulsion from ACES ECA and accurate reporting to the visiting guest's representative high school.
