ACES Wintergreen Interdistrict Magnet School Notification of a Positive Case

Dear Parents and Community Members:

On October 8, 2021, Area Cooperative Educational Services notified ACES Wintergreen Interdistrict Magnet School community members tested positive for coronavirus (COVID-19). The affected individuals have been instructed to remain home in self-isolation for at least 10 days per the Connecticut Department of Public Health guidelines. The household has also been given instructions in consultation with the Quinnipiac Valley Health Department (QVHD).

Under the local health department's direction, any **UNVACCINATED** person who is considered a "[close contact](https://portal.ct.gov/-/media/SDE/COVID-19/FallMitigationGuidance.pdf)" with these individuals has been or will be contacted by the school, state, and local health officials in the town in which they reside with instructions on the appropriate steps to take. {See <https://portal.ct.gov/-/media/SDE/COVID-19/FallMitigationGuidance.pdf> and the *Addendum 5 Update* <https://portal.ct.gov/-/media/SDE/COVID-19/Addendum-5-Interim-Guidance-for-Responding-to-COVID-19-Scenarios-in-CT-School-Districts.pdf> (dated September 28, 2021)}

The individual's last day on site was on October 7, 2021. The quarantine requirements are as follows:

- **FULLY VACCINATED**
 - Students and staff **do not need to quarantine** regardless of distance as long as they are asymptomatic.
- **UNVACCINATED**
 - The contact tracing was conducted, and those family or staff members who were identified as close contacts were given quarantine directions from a school administrator or school nurse. If you have a question, please get in touch with the school.
 - Students and staff who meet specific requirements set by the Connecticut Department of Public Health may return on the 8th day after exposure. Families and staff members should contact a school administrator for those requirements.

***Fully-vaccinated** individuals are those that are at least 14 days away from their 1st vaccination for the Johnson & Johnson vaccine and their 2nd vaccination for the Moderna/Pfizer vaccine.*

ACES does not discriminate on the basis of race, color, age, ethnicity, national origin, gender, disability or sexual orientation.

Please continue to:

- **Stay home if you are not feeling well.**
- Wash your hands frequently, but especially after using the restroom and before preparing or consuming food; using soap and hot water, wash for about 20 seconds. Be sure also to wash your fingertips. When soap and water are not available, use hand sanitizer.
- Avoid coughing or sneezing into your hands or in the air. Always try to cough or sneeze into a tissue, then throw the tissue away; if you do not have a tissue, cough/sneeze inside the elbow of your arm.
- As much as you can, avoid touching your eyes, mouth, and nose.
- Wear a face covering (mask) whenever there is a likelihood that you or your family members will be in the presence of others.
- Implement distancing to the extent practical as part of a layered mitigation strategy in all areas of the school

Below is the list of COVID-19 symptoms for which everyone should monitor in his or her family members:

- ☐ Fever (100.4° Fahrenheit or higher)
- ☐ Chills or shaking chills
- ☐ Uncontrolled new cough (not due to other known causes, such as a chronic cough)
- ☐ Difficulty breathing or shortness of breath
- ☐ New loss of taste or smell

For additional information on COVID-19 symptoms, please see:

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

Staff and individuals exhibiting any of the above symptoms, or feeling ill, should remain home and call their medical provider to report their symptoms and ask about testing before seeking in-person care at a clinic, physician's office, or hospital.

For more information on what to do if, you or a family member has possible symptoms, a diagnosis, or exposure to COVID-19, please see *Updated Guidance for the Use of Mitigation Strategies in Connecticut's PreK-12 Schools* Connecticut State Department of Education August 19, 2021, available here:

<https://portal.ct.gov/-/media/SDE/COVID-19/FallMitigationGuidance.pdf>

As we know more, we will closely monitor this situation, work with QVHD, and provide you with updates. If you have any questions, please do not hesitate to contact the school or my office.

Sincerely,

Dr. Thomas M. Danehy
