ACES Wintergreen Interdistrict Magnet School Notification of a Positive Case

Dear Parents and Community Members:

On October 5, 2021, Area Cooperative Educational Services was notified that an ACES **Wintergreen Interdistrict Magnet School** community member tested positive for coronavirus (COVID-19). The affected individual has been instructed to remain home in self-isolation for at least 10 days as per the Connecticut Department of Public Health guidelines. In consultation with the Quinnipiack Valley Health Department (QVHD), the household has also been given instructions.

Under the local health department's direction, any **UNVACCINATED** person who is considered a "[close contact](https://portal.ct.gov/-/media/SDE/COVID-19/FallMitigationGuidance.pdf)" with this individual has been or will be contacted by the school, state, or local health officials in the town in which they reside. The state or local health dept. will also provide the family with instructions on the appropriate steps to take. {See <https://portal.ct.gov/-/media/SDE/COVID-19/FallMitigationGuidance.pdf> and the *Addendum 5 Update* <https://portal.ct.gov/-/media/SDE/COVID-19/Addendum-5-Interim-Guidance-for-Responding-to-COVID-19-Scenarios-in-CT-School-Districts.pdf> (dated September 28, 2021)}

The community member was last onsite on September 27, 2021. The individual had no contact with any ACES student or staff member during the 48 hours prior to exhibiting symptoms. Therefore, no student or staff member will be required to quarantine.

Please continue to:

- Stay home when you are sick.
- Wash your hands frequently, but especially after using the restroom and before preparing or consuming food, using soap and hot water wash for about 20 seconds. Be sure also to wash your fingertips. When soap and water are not available, use hand sanitizer.
- Avoid coughing or sneezing into your hands or in the air. Always try to cough or sneeze into a tissue, then throw the tissue away; if you do not have a tissue, cough/sneeze inside the elbow of your arm.
- As much as you can, avoid touching your eyes, mouth, and nose.
- Wear a face covering (mask) whenever there is a likelihood that you or your family members will be in the presence of others.
- Implement distancing to the extent practical as part of a layered mitigation strategy in all areas of the school

ACES does not discriminate on the basis of race, color, age, ethnicity, national origin, gender, disability or sexual orientation.

Below is the list of COVID-19 symptoms for which everyone should monitor in his or her family members:

- ☐ Fever (100.4° Fahrenheit or higher)
- ☐ Chills or shaking chills
- ☐ Uncontrolled new cough (not due to other known cause, such as a chronic cough)
- ☐ Difficulty breathing or shortness of breath
- ☐ New loss of taste or smell

For additional information on COVID-19 symptoms, please see:

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

Staff and individuals exhibiting any of the above symptoms, or feeling ill, should remain home and call their medical provider to report their symptoms and ask about testing before seeking in-person care at a clinic, physician's office, or hospital.

For more information on what to do if, you or a family member has possible symptoms, a diagnosis, or exposure to COVID-19, please see *Updated Guidance for the Use of Mitigation Strategies in Connecticut's PreK–12 Schools* Connecticut State Department of Education August 19, 2021 available here:

<https://portal.ct.gov/-/media/SDE/COVID-19/FallMitigationGuidance.pdf>

We will closely monitor this situation, work with QVHD, and provide you with updates, as we know more. If you have any questions, please do not hesitate to contact the school or my office.

Sincerely,

Dr. Thomas M. Danehy
