Hello ECA Parents and Families:

Starting today, an automated message from ParentSquare was sent notifying you of your student’s attendance at ECA.

Please be reminded that when a student is not physically present in class, regardless of the reason, we are required to mark them as “absent,” and we record the reason for the absence that you provide to Tenisha in PowerSchool. Please refer to ACES attendance policy in the Student Handbook, and in my message to you dated 8/26/2022.

Thank you for communicating with Tenisha through Parent Square when your student will be absent, late to ECA, or leaving early. Please continue to message her with this information so we have accurate information about your student.

Sincerely,

Leslie Abbatello
Principal
