Welcome Parents & Guardians to ACES at Chase,

This is an exciting time for the entire ACES at Chase community to meet one another, build personal and professional relationships, and to support our students, staff, and faculty here at 565 Chase Parkway, Waterbury, CT.

My name is Jennifer Zembruski, and as the Coordinator of Outreach, Development and Activity here on Campus, I am delighted to invite you to cap off your commitment to the School, recognizing the importance of creating possibilities for your children and become involved in establishing the Parents Association (PTAP: Parents and Teachers as Partners).

We have created a Registration Form on the back of this letter & located on Parent Square (your link to all official documents). We want to acknowledge, up front and as a priority for the school, your participation matters, it truly makes a difference in building a community and supporting and partnering for the programs and initiatives which inspire lifelong learning.

The Parents Association will work collaboratively with teachers to support the school through Fundraising and Volunteer Opportunities. Our financial goal for the 2021-2022 school year is to raise $10K. Our mission is to create a fund so that we never have to deny a student an experience due to finances. Field Studies for students typically include the Annual Trip to D.C. in 8th grade, an Arts Trip in 7th grade (maybe the Palace Theater this year and NYC next), and a Science Trip in 6th grade (something like Nature’s Classroom or the Brownstone Adventure Park).

The Parents Association Initiatives will include providing the Annual Back to School Breakfast and Teacher Appreciation Luncheon. We will meet monthly (8 sessions in total) with a virtual and in person option and be able to share our thoughts, questions, and concerns in a timely manner. Your ideas are welcome and encouraged; we will build a Board of Directors and Committees to navigate the needs of those educating and mentoring our students.

Please join us to kick off the season on Back to School Night - Wednesday, October 6th between 6:30 and 8:00 p.m. There will be information at each Welcome Table (Camp Hall, Upper School, and The Goss) for you to Register, Ask Questions and Share Your Input. We will be contacting parents regularly about program offerings and group initiatives. Hope to see you there!

With best regards,
The Leadership Team, ACES at Chase
