Thoughtexchange’s software allows leaders to have a conversation with a virtual crowd, listen to everyone in the group and uncover valuable unbiased input in real time.

Thoughtexchange lets you

- Reach more people in less time.
- Engage more meaningfully.
- Learn what’s important.
- Make decisions that get support.

Use Thoughtexchange for

- Bond & Facility Planning
- Strategic Planning
- Boundary, Calendar & Start-Time Changes
- School Safety
- Staff & Student Experience
- and More!

“When districts face tough issues, surveys are not enough. Thoughtexchange provides a way to quickly drill down and capture deeper perspectives from all voices. With Thoughtexchange, the loudest voice in the room has the same volume as the softest. So, all stakeholders are invited and relevant to the conversation.”
