

CDA Portfolio Support Group

FREE for New Haven early childhood educators pursuing the Child Development Associate® (CDA)

- Are you working on obtaining your CDA?
- Are you new to early childhood or have you been working in the field and are ready to start working on your credentials?
- Are you presently working in a child care center, group child care home or provide family child care in New Haven?
- Can you commit to the twelve scheduled sessions (see below)?

If you answered “Yes” to the questions above, then this group is for you!

This 12-week support group is designed to support early childhood educators in creating their CDA portfolio and articulating how they meet the Competency Standards of the CDA process.

Participants will receive:

- An understanding of the CDA and commitment necessary to complete the process
- A CDA Competency Standards book (based on your identified child age group)
- Training & certificates for the competency areas that count toward the 120 required training hours
- Guidance in developing Resources & Competency Statements
- Time to work on Competency Statements
- Guidance in opening a CDA account, completing the application, and obtaining a PD Specialist
