

# CDA Training Series

**FREE** for New Haven  
early childhood  
educators

This training series was designed to support early childhood educators pursuing the Child Development Associate® (CDA). Each 2-hour session counts toward the required 120 hours of early childhood education training for the CDA and provides content that meets one of the eight CDA Subject Areas. These trainings also align with NAEYC Core Competencies, making them applicable to all early childhood providers.
