

# Professional Lunch Bunch

## Learn • Apply • Transform

### About

Elevate your professional practice with our **dynamic, scenario-based learning series** focused on essential skills in behavior, special education practices and procedures, and effective team support. This is an invitation to move beyond passive training: engage in **facilitated discussions**, work through **real-world scenarios**, and collaborate with peers to build actionable solutions.

### You Will:

- **Network** with peers and build valuable professional connections.
- Engage in **real-world scenarios** to identify new strategies.
- Contribute to and benefit from a **cross-participant** exchange of knowledge and innovation.

### Cost:

**\$100 per series**

**PPT Facilitation/  
Participation Series** *Tuesdays 2/10, 2/24, 3/10, 3/24  
11:30-12:30*

Through case-based discussions and collaborative scenario analysis, this series will move beyond knowledge of regulations to focus on practical application and confident decision-making during Planning and Placement Team Meetings.

**Supporting Paraeducators Series** *Wednesdays 2/25, 3/4, 3/11  
10:30-11:30*

This professional development session targets the essential skills needed to maximize the impact of your paraeducator team. Through interactive discussions and problem-solving scenarios, participants will collaborate on best practices for oversight, resourcing, and providing constructive feedback to ensure high-quality specialized instruction.

**Unpacking Challenging Behavior Series** *Thursdays 2/26, 3/5, 3/12, 3/19  
11:30-12:30*

In this highly interactive, discussion-based series you'll work through real-world scenarios to collaboratively unpack, analyze, and build effective solutions to address challenging behaviors.

**Paraeducator Series** *Thursdays 3/12, 3/19, 3/26, 4/2  
11:30-12:30*

This targeted professional development series focuses on equipping paraeducators with the essential knowledge and practical, discussion-based strategies needed to effectively support students and implement IEPs. Through collaborative scenarios and shared experiences, you will build confidence in providing direct support.
